

*To sports medicine professionals in every discipline and to athletes at every level
and every sport. Without them there would be no sports medicine.*

*And to Drs. Jesse DeLee and David Drez. Thank you for entrusting
us to keep your vision alive.*

MARK D. MILLER

*For Linden Ellis: You are too young to read this now, and you may choose never to
read this later, but it is nonetheless still for you.*

*And, for Shannon. As always, thank you for everything you do,
including enabling me to do what I do.*
